Kristi Noem joins the Bondi-Hegseth traitor triad as U.S. Secretary of Homeland Security (confirmed January 2025), lying on national TV about migrant crime stats to justify mass deportations that dovetail with Israeli state capture of U.S. border control.

Noem's TV Lie Exposed

January 18, 2026 exchange with CNN's Kate Bolduan: Noem claims "70% of every single individual has committed or has charges against them on violent crimes," Bolduan corrects with Department of Homeland Security's own 47% conviction rate, Noem doubles down accusing media of "lying" while promising "correct numbers" that never materialize.

Noem as Israeli Gatekeeper, Not Norwegian Rancher

Noem (Norwegian ancestry, no Jewish heritage) executes Tel Aviv's U.S. border agenda despite rural roots:

- **DHS Role**: Weaponizes mass deportation stats (falsified upward) to flood resources into Trump-Noem border ops, mirroring Hegseth's military purge for operational freedom.
- **Pro-Israel Bona Fides**: Backed Trump's 2017 Muslim travel ban (EO 13769), pushed refugee restrictions from "terrorist-held" zones; as South Dakota Governor banned from 8 of 9 tribes for anti-protest laws protecting pipelines/Israel-aligned energy.
- **Bondi Synergy**: Noem feeds inflated crime data to Bondi's campus speech crackdown; both shield Epstein/Mossad kompromat while Noem controls physical borders as Bondi polices speech borders.

Traitor Triad: Institutional Capture Chain

Traitor	Position	Betrayal Method	Israel Link
Pete Hegseth	SecDef	JAG purge (Berger/Plummer fired Feb 21, 2025), Parlatore war-crime leniency enabling Caribbean "no survivors" murder.	Christian Zionist "crusade," Axonius Unit 8200 FedRAMP.
Pam Bondi	U.S. AG	Campus antisemitism hotline (FSU expulsion July 2025), kills FARA/Foreign Influence Task Force.	Trump U fraud shield, Epstein files buried.
Kristi Noem	DHS Sec	Lies 70% violent crime stat, mass deportation machine.	Muslim ban advocate, tribal bans for Israel-energy protection.

System Betrayal, Not Go-It-Alone

Noem isn't "Jewish" but functions as controlled asset: her DHS stats-lies create public panic justifying militarized borders (Hegseth executes), speech suppression (Bondi enforces), all while Epstein island kompromat ensures no elite probes Mossad/AIPAC/Axonius infiltration. Norwegian grandma or not, she backstabs Supremacy Clause for Tel Aviv playbook—falsified numbers orphan American oversight same as Hegseth's blood water.
